## **AUSTIN BUTLER -MADLIB**

One night on 1st I was in my bedroom reading a book about Macykrueger when suddenly I
heard a knock downstairs, so I got out of bed to see what it was. I silently tiptoed down the stairs and to the door
I peeped through the looking hole and saw no one standing there so I quietly opened the door. Suddenly
Macykrueger jumped out of the bush and ran towards me. Scared to death I took off around the house
Proper Noun close behind me with her claw hands. For a minute I peeped behind me and saw she was
pulling a wagon of some sort probably to put me in to eat me. With thought I picked up the
pace for my life. I took off down the block not knowing I was running
just knowing that I want to survive. All out of breath I to rest for just a minute but
suddenly she was behind and I screamed DON'T EAT ME. Macykrueger then said excuse me would you like
some Noun - Plural, I then took another look and it was a girl scout I felt so relived but that doesn't mean
Macykrueger isn't out to get YOU.
