# Learning to cross the street

One day little _____First Name of a Person_____ Sue was _____Verb Present ends in ING_____ down the street reading 50 shades if grey and not looking where she was going. She noticed an elderly _____Type of person_____ across the road giving out free _____Verb Present ends in S_____ so decided to cross the street to get a sensual _____Verb Base Form_____. But little _____same name of person_____ Sue wasn't looking where she was going and was hit by a _____Type of Transport_____. The _____Type of Transport_____ was damaged heavily but miraculously little _____same name of person_____ Sue was unharmed. But just then the driver emerged from the _____Type of Transport_____. He was _____Adjective_____ about the damage to his vehicle so got a _____Weapon_____ from his trunk and beat little _____same name of person_____ Sue to death.

This is a little story about always checking for traffic before you cross the road because if you're  you might get knocked down and die. But then again, if you're stupid you probably deserve to die.
