The First Patient Encounter

Pharmacist: Hello Mr. _____Name_____! Are you here to pick up your _____Animal Plural_____ today?

Patient: No I already picked them up last _____Season_____.

I've had, like, _____Number_____ weeks of _____Complaint_____. I have been to _____Location_____ and got a prescription for _____Alcoholic Beverage_____. And then I kept having dry _____Part of Body_____, and I went to _____Location_____ and got another prescription for _____Food_____. That was _____Number_____ days ago, and I'm not any better. I think I need some _____Product_____ because my friends took it and got better. And I'm just so tired of feeling _____Emotion_____ . Can you give me something to make me _____Superpower_____? Every year my regular doctor gives me _____Noun_____, and I always get better immediately.

Pharmacist: Unfortunately, you have _____Disease_____, but don't worry. You will get better, soon. Your physician prescribed you _____Junk Food_____, take it every _____Time of day_____ with plenty of _____liquid_____, rest, and call me if you feel _____Emotion_____.
