How The Dough-Girl Became Real (part 1)

_____Female First Name 1_____ _____Female First Name 2_____ (_____Initials of the previous 2 names_____ for short) was just an ordinary _____Gender (male female girl boy woman man etc)_____. She used to be super _____Verb Base Form_____ and to herself most of the time. Even in _____Location_____ she used to sit in a back corner seat in class and kept her _____Part of Body_____ _____Direction (up down etc)_____ or just dazed off. Now she's _____Number_____ (legal age where she's from), living all alone, and no longer in _____Location_____. So she didn't have to worry too much about _____Location_____ anymore. Yet she still keeps to herself. The only times she has _____Verb Past Tense_____ normally is when a/an _____Occupation (cashier waiter etc)_____ at _____General Location - Plural_____ and _____General Location - Plural_____ would _____Verb Base Form_____ to her... usually when it came to _____Verb Base Form_____ for things or _____Verb Base Form_____ things.

Before we get into her story too much, let me tell you some information about _____Initials (repeat from previous)_____... her _____Part of Body_____ was a/an _____Verb Base Form_____ _____Verb Base Form_____ _____Color_____ and was a/an _____Gender ending in LY or ISH (boyish girly etc)_____ cut just down to about a/an _____Unit of measurement - singular (inch centimeter foot etc)_____ from her _____Part of Body - Plural_____. Her skin was a slightly _____Duo Color (blue-green red-orange etc)_____ shade almost like a/an _____Food_____. She was naturally _____Adverb_____, _____Adverb_____, and had pretty much no curves to her... unless you count the slight gut she had been trying for _____Unit Of Time - Plural (years seconds minutes months etc)_____ to get rid of only to get no success. Yeah... she was that unlucky when it came to the whole 'loosing weight' trend. And she was about _____Number_____ _____Abreviation For Units Of Measurement (CM IN MM KM FT etc)_____, _____Number_____ _____Abreviation For Units Of Measurement (CM IN MM KM FT etc)_____ tall.

One day in _____Month_____ she just got finished _____Verb Present ends in ING_____ away all of the _____Noun Plural_____ she had JUST gotten from a local _____Location_____ and realized her _____Electric or Computerized Item In A Room_____ was still on in the other room.

"That's odd. I thought I had _____Verb - Ends in ED_____ that thing off earlier." _____Initials (repeat from previous)_____ thinks to herself.

She goes into the _____A Room In A House_____ and sees the _____Electric or Computerized Item In A Room_____ was indeed on. She _____Verb Present ends in S_____ over to it and _____Verb Present ends in S_____ it off before _____Verb Present ends in ING_____ back into

the _____A Room In A House_____. On her way into the _____A Room In A House_____, she hears a _____Type of Sound (beep boom honk bzzz etc)_____ and assumes it was her _____Electric or Computerized Item In A Room_____ signaling it was finally fully shut off. So she just shrugs it off and starts _____Verb Present ends in ING_____ a _____Noun_____ from its _____Container (box carton bottle etc)_____ before putting it into the _____Appliance (microwave stove oven fridge freezer etc)_____.

Suddenly she heard another _____Type of Sound (beep boom honk bzzz etc)_____ and goes back into the _____A Room In A House_____ to investigate. Only this time, when she _____Verb Present ends in S_____ the room, the door _____Verb Present ends in S_____ behind her making her _____Verb Base Form_____ a bit when she hears the _____Part of a room (door window wall etc)_____ _____Type Of Locking Mechanism (latch padlock etc)_____ click into place. "What the..." she exclaims not expecting for her _____Part of a room (door window wall etc)_____ to close on its own.

She _____Verb Present ends in S_____ the _____Part of a room (door window wall etc)_____ again only this time before she even gets to reach for the _____Part of a room (door window wall etc)_____ , the _____Part of a room (door window wall etc)_____ _____Verb Present ends in S_____ open and _____Verb Present ends in S_____ right into her. Due to her daze, she was currently unaware she had literally just been _____Verb - Present ends in ED_____. Though she then hears a voice from the other side of the _____Part of a room (door window wall etc)_____ entering her room...

"...And where do you think she is? Cause she doesn't appear to be here right now. And we were supposed to _____Verb Base Form_____ her."

"Huh?" Was that _____Initials (repeat from previous - add 'S)_____ old _____Location_____ _____Relation - Singular (uncle friend boyfriend girlfriend husband wife aunt etc)_____ _____First Name of a Person_____? What was he/she doing in _____Initials (repeat from previous - add 'S)_____ _____Location_____? How did he/she even find it ?
