

mummy

1. Body Of Water
-

mummy

By the shores of [body of water] of water], King [name] was [adjective] greedy. In fact, he was so greedy that he died from eating too much [food or drink]. [Number] [Plural occupation] carried his [adjective] body to the [type of store] to prepare him for mummification. They removed his [body part] through his [body part] and packed up for the evening. Once the sun came up, the King opened his [body part]. He was still alive!

He [action verb] to the nearest exit and went outside. His people saw him and shouted, "[exclamation], Great King!" The townspeople chased the King and [verb] him all the way down the stairs. They caught him and made him consume [food or drink] until he was sick. The King gave up his [article of clothing] and decided to live a life without [food or drink]. He retired in the Village of the [noun] and lived [adverb] ever after.
