The Tale of Pranau the Bean

Compiled by StinkyMacBinky, from the papers of Zoe Kirk-Robinson.

_____Adjective Ends in EST_____ was a Stinky day in the winter of 1885 when Pranau rode into town on his Space, Pranau. The Stinky road had been Drunken and Pranau was Nervous so he rode to the only inn in this one-Math town, the Tiny Juice and ordered a drink.

He had barely set foot inside the inn when a local ruffian, Stinky Harry, took a dislike to a stranger in his town.

'I don't like Drunken types in my bar,' said Harry, because he believed in speaking his mind. 'What's your name, stranger?'

'They call me Pranau the Bean,' said Pranau.

'That sounds like fightin' talk to me, stranger. You'd better get out of here before I make sure you never Tiny again. They don't call me Stinky Harry for nothin'!

Pranau the Bean and Stinky Harry watched each other through Tiny eyes for so long anyone watching would have

expected tumbleweed to roll past. Then, Nervous as a Space, Pranau drew his pistol and shot Harry through the Bean.

The Tiny troublemaker staggered backward against the wall and slid to the floor with a final groan.

'Owo,' said Harry, Doodoohead.

Pranau walked out of the bar Smol, only stopping at the door to give one last message to his fallen foe.

'That's why they call me Pranau the Bean.'
