LM' Love Letter

Dear [Name],

From the moment I first saw your [Adjective] [Body part], I knew you were the [Adjective] one for me. Your [Proper Noun Plural] shine like a [Adjective] [Noun] in the [Place], and your voice is sweeter than a [Food] dipped in [Liquid].

Every time we [Verb Base Form] together, my [Body part] does a little [Dance move], and my heart beats like a [Adjective] [Musical instrument] being played by a [Animal]. I love how you [Verb Base Form] when you're [Emotion] and how you always smell like [Random scent], which reminds me of [Funny memory].

If love were a [Noun], you'd be the [Adjective] [Noun] at the very top. If I could, I would [Verb Base Form] across the [Large place] just to bring you a [Adjective] [Noun] and whisper, "[Silly phrase]."

Every day with you feels like a [Adjective] [Season], filled with [Noun Plural] and [Noun Plural]. And every night, I dream about the time we [Verb Past Tense] under the [Adjective] [Natural feature], laughing about [Silly topic].

So, my [Silly pet name], will you be my [Funny title] forever? I promise to always [Verb] you, even when you're being [Adjective] about [Odd habit]. And I'll never [Verb] your [Noun], no matter how [Adjective] things get.

Yours forever and always,

[Different Name]
