1. Preposition _____
2. Animal _____

Test

Once upon a time there were _____Preposition_____Animal_____. They were roaming through the forest, looking at their own beautiful mountain and grazing on the luscious grass. They were crunching away on the grass when they heard a low rumble. Then all of a sudden a loud kaboom! A rolling thunderstorm swept through and caused them to dance wildly. They ended up stuck together, like glue or velcro. The end.
