Finals Week

Finals week is the most stressful time of the whole semester. You study all day and all night, _____Verb_____ coffee and Red Bull, don't sleep. And even though you know you have to study, you have no motivation to do it because you're so excited for winter/summer _____Noun_____. You can go home, relax, maybe go on vacation. And you'll have no classes to _____Verb_____about! You spend _____Number_____hours in the 24-hour-room or third _____Noun_____of the library, only taking study breaks so you can go take your exam. They don't always take too long, but it feels like _____Number_____hours sometimes. But even though finals are _____Adjective_____ it's all worth it in the end when you see your good _____Plural noun_____on e-Campus, and all that studying paid off.
