Part 1 to My First Day

I had woken up late on my first day of school. As I got off my mom's car and entered _____First boy name_____D. Holland Middle School, I saw my friends Jasmine and _____First girl name_____. So I wasn't late. We _____Past tense verb_____out with our other friends _____First boy name_____and Javier until the bell rang. I was _____Verb ending in ing_____so fast to get to my class so I wouldn't be late I accidentally _____Past tense verb_____Preposition_____ someone's foot. But someone caught me. I looked and saw my crush _____First boy name_____face! We stared into each other's eyes and for a moment I thought he could actually like me back! So far it was a great start to my first day of middle school, but then again, it was only beginning....
