Horton Comes To Bernie

ran through the halls of Bernie, _____Verb ending in ing_____up friends. The classes drug on, and on, it almost seemed like there was no end. Until one day a _____Verb_____he did see, from the nice girl busy playing the Wii. He thought the world stopped or maybe it spun fast, either way he thought "This Romance is made to last". They played all sorts of games like air hockey and twister, he never thought he'd find out she was actually his big sister. Now Horton knew University is supposed to be full of adventures, he just wasn't ready for this _____Adverb_____venture. Horton learned fast after that to do a background check, so he will always avoid that kind of romance wreck.
