3. Presidents Name _____
4. Same Number _____

Some dead presidents

I went to school and there was some dude who works for Obama he said he needed a job.I went home and there were like _____Number_____dead presidents in my home.Mom explained but I didn't let her off of the hook.This was her story:

These dead presidents need a home the white house broke down.I told her I almost got shot at _____Location_____ because I gave a wrong answer plus this dude who works for

_____Presidents name_____Jason you'll have to sleep outside the dead presidents want to use your room.If the white house broke down only president Obama should be here.I know thats why they rose from the dead.

I'm going to my friend's bye mom.

When I got there there were like _____Same number_____dead presidents in his house to.Apparently from Canada.

Eieya
