# Spring is in the Ait

Spring is my favorite time of year because I love being \_\_\_\_\_Noun\_\_\_\_\_. There is nothing better then running around the \_\_\_\_\_Noun\_\_\_\_\_ without wearing a \_\_\_\_\_Adjective\_\_\_\_\_ jacket. At the park, you can usually find me on the \_\_\_\_\_Noun\_\_\_\_\_. I usually go so high on the swings that I almost touch the \_\_\_\_\_Noun\_\_\_\_\_. Also, spring is when all the \_\_\_\_\_Adjective\_\_\_\_\_ \_\_\_\_\_Noun\_\_\_\_\_ begin to bloom. It's been a long, \_\_\_\_\_Adjective\_\_\_\_\_ winter and I can't wait for the warm weather!
