# A life in UCA Middle/High school

\_\_\_\_\_ Noun here on the third floor of UCA is anything but dull! We have \_\_\_\_\_ Noun - Plural of lively characters. First off there is Tyler who \_\_\_\_\_ Verb - 3rd Person Singular Present in and out of any room he wants. He is \_\_\_\_\_ Adverb dislikes math class. He is always \_\_\_\_\_ Verb - Present Tense Mr. Hindman that he does not like him. He sometimes \_\_\_\_\_ Verb - 3rd Person Singular Present \_\_\_\_\_ Preposition or subordinating conjunction a spelling test and he even \_\_\_\_\_ Verb - Past Tense a piece of a chair at Mrs. Beasley once! Jayce is another 9th grader. He spends his days \_\_\_\_\_ Verb - Present Tense about his S-10 \_\_\_\_\_ Noun. Sometimes you get the feeling his \_\_\_\_\_ Noun is more important than anything else he has. And believe me he has a lot! Then you have the ever \_\_\_\_\_ Adjective Gavin. It takes a long time \_\_\_\_\_ to get to \_\_\_\_\_ Verb him. He just \_\_\_\_\_ Verb - 3rd Person Singular Present and looks away. Finally it has been decided that is his way of \_\_\_\_\_ Verb - Present Tense with what you say. He tries to keep the group in line..but it is a \_\_\_\_\_ Adjective task even for a guy as tall as he is.

Next you have Jonthan. Now Jonthan has \_\_\_\_\_ Noun that is long enough to cover his \_\_\_\_\_ Noun - Plural. He likes to think he knows everything, when in actuality he doesn't know very much. He tries to be Mr. Hindman's \_\_\_\_\_ Noun, but it is a useless cause. Cris spends most of his time trying to \_\_\_\_\_ Verb coughs in mid-air and \_\_\_\_\_ Verb - Present Tense around his suitcase. The poor lone girl, Brie, has to deal with all of this \_\_\_\_\_ Noun. She handle sit fairly well. She ignores a lot of what is said, but the boys need to be careful because she is in the middle of writing a \_\_\_\_\_ Noun. Who knows what or who will wind up in it!

Now 7th grade boasts \_\_\_\_\_ Noun - Plural girls. Tristan is the \_\_\_\_\_ Adjective boy. He handles himself really well though. He just tries to keep a sense of \_\_\_\_\_ Noun and sometimes he is too \_\_\_\_\_ Adjective in what is going on around him to get his work done. Chloe is the most \_\_\_\_\_ Adjective. She spends her time \_\_\_\_\_ Noun and \_\_\_\_\_ Verb - Present Tense through the hallways. She is also known to be spotted doing a \_\_\_\_\_ Noun in the math classroom. Her mom has to keep a tight reign on that wild child. Dana is the one who tries to be the \_\_\_\_\_ Noun of the group. She tries to keep everyone in line, which in itself is a full time job. I guess having all those siblings at home has helped train her as a \_\_\_\_\_ Noun. She has to \_\_\_\_\_ Verb or get run over! Yada is more \_\_\_\_\_ Adjective in \_\_\_\_\_ Verb - Present Tense in her odd voices than anything. Her baby voice tends to get \_\_\_\_\_ Adjective though. Now Kaitlyne is the \_\_\_\_\_ Adjective but deadly type. You may not know she is even in class, but she is just \_\_\_\_\_ Verb - Present Tense back \_\_\_\_\_ Verb - Present Tense everything in and storing it away for another day. She is the one you should watch out for the most!
