## **A Day in Science Class**

TEACHER: Today we are going to dissect a Everyone grab a and sit with a
group of at least Does anyone have any questions?
George: Ido or dont! Do we have to wear thesematerialplural clothing?
TEACHER:, at all times. Anyone else?
funny nickname : Is it Adjective ?
TEACHER:, don't beAdjective Lets all wash ourplural body part and get started
You will see a set of sharp on your desks. Everyone begin!!! Start with a smooth,
stroke across the body part Don't emotional verb - cry laugh weep, remember, it's not
I see we have another question
: There's some color liquid coming out of mine, is that normal?
TEACHER: Perfectly!!! Remember not to touch your or put your
in your eyes, it is highly contaminated. In fact, I recommend each and every one of you to
have a Adjective hot or cold liquid soak when you get home!!! Now, once you've cut ou
the <u>organ of body</u> , place it in a jar and cover it with <u>material</u> . We will send these samples to the
random place - icecream store or courtroom etc in country.
** Noun rings**
TEACHER: I hope you all have a Adjective time, tell your parents to verb!!! See you all in
time frame, six days on two minutes etc.
