## The day it was my bithday

I up on my bithday. I wanted to go to I asked my if we could	
could go she said maybe. I asked my he also said maybe. Then we hopped in the	. I
said where are we going she said will see. I thought like we were not going to go to I felt sad.	
We hopped out of the Noun we were at Noun. We went inside my whole family was standing	g
in front of me .They all said happy birthday It was a surprise it was the best bithday ever. When	l
someone says maybe it does not mean no.
