Why I Don't Like School

School is really Negative Adjective . One day in school I had to Verb - Base Form so much I started to cry. Since I was crying so much I forgot to bring my pencil, my pen, and my eraser to class. My teacher Adverb yelled at me. Since that day I have not liked her at all. Her name is Mrs. Proper Noun .

Another day she yelled at me for not bringing my Plural Noun- Object You Find In School to class. Then she called my parents, Conjunction they were also mad at me. My dad was so mad he said, "Interjection"! He decided as a punishment he will cut my long, Color hair. He also said I have to return my Possessive Noun video game that I borrowed. But I had had lost the video game. The next day I found it Preposition my friend's chair. Pronoun told Mrs. Proper Noun You Used Before . She sent me to the principle and I got in huge trouble. That is why I hate school.
