# Coach Hughes

I want to be a                     Noun                                         Verb ending in er                     so I'm going to do                     Number                                         Noun - Plural                     with  
a                     Verb - Base Form                    

I'll do                     Number                                         Noun - Plural                    , then you'll do                     same number                                         same plural noun                    , I'll do  
                    same number                                         Adjective                                         Verb - Present ends in S                    , then you'll do                     same number                      
                    same adjective                                         Verb - Present ends in S                      
                    Verb - Present ends in ING                    ,                     same verb in ending in ing                    

Back                     Verb - Present ends in ING                     on the                     Noun                     bar side
