## **Minecraft (My Strange Life Book 2)**

I stood at the foot of the monument, towering over me like a behemoth. I just stood there, astounded how a small group of people could make something so big. This was Minecraft, of course, so a build team of five or ten people could a build an amazing structure. I stood at the foot of the monument. Then suddenly I turned red, fell over, and disappeared into a cloud of smoke. I opened my mouth and uttered,"
