Around the World

My friend and I are planning a trip around the world and we need to plan where we will visit and what we will do. Since this will be a long trip we need to make sure we plan everything perfectly. Using our atlas to choose different locations we picked fourteen places to visit. We want to go to Egypt to see the pyramids and Italy to eat fresh olives. We will go to Japan so we can visit Tokyo and finish at the Grand Canyon. We need to make sure we pack our passports and plenty of shirts and shorts. If we planned everything _____ Adjective _____ this trip will take 8 months. This is going to be the most amazing trip of my life!
