Subdividing Women

As she lay sleeping, I watched her ___Adjective___ . Her lips were like ___Noun - Plural___. With every slow

inhale and exhale they parted ever so slightly. Each breath caused her chest to rise and fall. Like

___An action that happens in a pattern___, the pattern was soothing to watch. The moonlight streaming through the

window fell on her and illuminated her ___Adjective___ face. This had the effect of making her skin look like

___Adjective___ ___Noun___ . This background provided a stark contrast, making her ___Adjective___

eyelashes stand out. Her hair, the color of ___Noun___, was spread out on the pillow beneath her head,

creating a halo that framed her face. Asleep, she looked so ___Adjective___. I felt like I could watch her forever

.
