Shakespeare

William Shakespeare was a English poet, playwright and Shakespeare was born more than
450 years ago and is one of the most famous historical figures of all time. He is arguably the
Ends in EST same profession in the language language. His contribution to the language
language is huge. There have been many Adjective writers, like and celebrity
who have also done their part in
Shakespeare, their contribution seems to pale in comparison. Some of his best known works include: Hamlet,
Romeo and, Othello and King, among many others. In total, there
are plays, sonnets and two long narrative poems written by Shakespeare that
are still in existence. His plays are still among the most popular, even after years.
However, so much is still unknown about the man. For example, not much is known about Shakespeares private
life, how he really died and whether he, himself, actually wrote any of his works. There is also quite a lot of
speculation about things like his religious beliefs and his physical appearance. On portraits, he is usually
depicted as havingAdjective bair and a shortAdjective beard. He was sometimes
even depicted with a pierced <u>body part</u> .
Shakespeare lived in a small town of Stratford-upon-Avon with his relation - wife parent neighbor etc. Anne
Hathaway. He was said to have lived in the second largest in town, for Shakespeare was actually
quite
Sadly, the man died on his birthday, april 23rd On Shakespeares grave there is a warning, saying
that

any man who disturbs his bones will be verb plus ED
