Changing Places (Mind's Eye - Part III)

_____ Female Person A felt guilty seeing the man knock _____ Male Person B and _____ Male Person A unconscious, but she knew there was no other way. Whilst the man dragged them out of the room through the circular door - yes, circular, the effect was wearing off on _____ Female Person A to and she no longer perceived it as _____ Adjective C from part II - she crept over to the book and began to read. Lines upon lines of pencil scribbles interspersed with the odd diagram filled the pages. Suddenly she understood: this machine, it channels the thoughts of a being, from somewhere beyond their world and turns it into a simulation. More specifically, this is the origin, $x=0$ of the simulation, the entry point where both worlds are pressed together. But why was everything filtered, as if two realities were merging in this one?

She was confused, but upon looking found a terminal lying on the floor connected to the machine by a few wires flowing across the metal paneling. She turned on the screen and began to look.

Outside the door the man had just finished dragging _____ Male Person B and _____ Male Person A into the corridor. Everything suddenly _____ Verb Past Tense and _____ Verb Past Tense. The man, unbalanced after _____ Verb Present ends in ING _____ Direction, _____ Verb Past Tense and _____ Verb Past Tense his _____ Part of Body. _____ Male Person A, who had managed to stay _____ Adjective, suddenly _____ Verb Past Tense. His _____ Part of Body was _____ Adjective and was ready to _____ Verb Base Form, he knew what was happening, but he had to be _____ Adjective. He _____ Verb Past Tense along the _____ Adjective corridor, and into the second one.

"_____ Verb Base Form the door!"

The guard stood _____ Adjective

"No! She'll _____ Verb A - Base form! You'll _____ Verb A - Base form! Everyone will _____ Verb A - Base form and I'm the only one who can stop it!"

"The eye of the storm has Verb Past Tense, we were in a null region but now the terminal's been

Verb Past Tense it's all Verb Present ends in ING around us" He grinned at her "We can Verb

Base Form it!"

The walls began to Verb Base Form and were looking Adjective.

"How Adjective A will this hold" posed Male Person B

"Adjective A enough - hopefully" replied Male Person A, "Ah!, it's being hacked from this:" he

pointed at the screen, the number 104.28.25.195 written at the bottom

"And we can stop it?"

"Aaand," Male Person A typed a few commands "I just have"

"Great" Male Person B Verb Past Tense up to the Preposition of the machine and began

The trio were lying on the floor in an office, calm. Above them on a desk a computer screen was glowing, providing information to an empty room.

Some time later, _____ awoke. Clutching her head with one hand, she got up and looked around. Her eyes were drawn to the screen, it was open on a page where a strange story was written, or being written. "Hey look at this," she called to _____ and _____ who were slowly regaining consciousness "The words are appearing on their own"

_____ got up and had a look, "It's got the same IP address as where we were being hacked from, this must be where the world was changed, the source of the perception filter"

"But we're out, we're free. We can do anything."

After a few moments _____ opened his eyes. After a few minutes' conversation he turned the screen off, the dimly lit room was closed, cut off from the rest of the world. The three of them walked out and into the street, their lives to live in freedom.
