# Skiing Trip

None of us had ever gone skiing before, but Dad insisted that it would be \_\_\_\_\_ Adjective and we would have a /an \_\_\_\_\_ Adjective weekend. We spent the first day in the \_\_\_\_\_ Noun Plural because Mum wanted to look like a/an \_\_\_\_\_ Noun on the slopes. The second day, she went back because she forgot to buy \_\_\_\_\_ Noun \_\_\_\_\_ Plural to go with her new \_\_\_\_\_ Noun, so Dad and I left without her. At the \_\_\_\_\_ Body part of the mountain, our car got a flat \_\_\_\_\_ Noun so we had to wait \_\_\_\_\_ Number hours for an auto \_\_\_\_\_ Noun truck to come along. By the time the \_\_\_\_\_ Noun was fixed, we were too \_\_\_\_\_ Adjective to go \_\_\_\_\_ Verb ends in ING, so we just went back to the hotel and took a/an \_\_\_\_\_ Noun. On the last day, the \_\_\_\_\_ Noun came out and \_\_\_\_\_ Verb ends in ED all the snow. Dad's face turned as \_\_\_\_\_ Colour as a/an \_\_\_\_\_ Noun. Next year, Mum says we're going someplace \_\_\_\_\_ Adjective. She's already \_\_\_\_\_ Verb ends in ING for a new \_\_\_\_\_ Noun.
