A doctors visit

Patient: Thank you so much for seeing me Doctor Last name of Person in the room on such Adjective notice.

Doctor: What seems to be the problem, young Noun .

Patient: Well, I'm having some pain in my upper Part of Body , which is giving me a severe Part
of Body Verb Base Form .

Doctor: Let me ask you an important question. How much Food have you consumed this month?

Patient: Because of the holidays I would say it's been Number percent of my diet.

Doctor: If I remember correctly, didn't we discuss this last time, that Verb Present ends in ING is best!

Patient: We did, but I thought that because of the Holidays, you would let it Verb Base Form and I would
make it up in my New Event Resolution!

Doctor: Now, First Name of a Person , all of your symptoms are stemming from consuming all of that
 Noun .

My recommendation is to prescribe you 2 Noun Plural and call me in Year .

Patient: Thank you so much Doc! What do I owe you?

Doctor: Well you know what they say; A/an (Noun) a day, Keeps the doctor Adverb . Please
pay our wonderful staff on the way out.
