# discord

so my           Noun                     Noun Plural           and his           Noun Plural           on discord go into voice and  
          Proper Noun           join them.           Proper Noun Plural                     Verb Base Form           some madlibs and get a good  
          Verb Past Tense          . then my bf randomly           Verb Present ends in ING           so we be like u           Verb Present ends in            
S           Adjective Ends in EST          . we           Adverb           then the           Adjective Ends in EST           jus be like imma  
          Adjective          . so im over like           phrase                     phrase          .
