summer

one day we went to Location. it was really Adjective outside. while we were at Same

location we had to put on a bunch of Thing. i always forget what we bring so i was looking and i

found a Thing a Thing and some Plural noun. well, we learned never to go to

Same location again because First name got Past tense verb by some Animal in the

Name of a ocean ocean. so we had to run all the way to Location. which was Number

seconds away. but we made it. so we took our Plural noun and Action verb them down. the manager

of that shop kicked us out so we had to Action verb home.
