# Our Party

Me and my friends are going to hold a really big party next weekend. It's going to be totally Adjective

Today, we went to choose our outfits. I am going to be wearing a pair of Adjective Adjective

Colour panties and a pair of socks with Plural noun printed on them, and nothing else. My friends

are going to wear hats shaped like Plural noun. We will all look Adjective. At the party, there will

be loads of food, including my favourites: Food (plural) Food (plural) and Food (plural). We

will be drinking tons of Liquid and possibly some Liquid. I am going to invite the entire school,

and hopefully my crush will show up. His name is Boy's name. I like him because he is REALLY

Adjective and has eyes like two crystal-clear pools of Colour. Maybe he will

Action that can be done to a person (eg. hug kiss etc) me! I hope he does... After the party, me and my friends are

planning on going to Supermarket chain (eg. walmart) to buy more Plural noun then we shall hit the town,

and go Verb ending in ing up the high street. It shall be EPIC.
