Asbestos

When asbestos is used for its resistance to <u>Noun</u> or <u>Noun</u> , the fibers are often mixed with
cement or into fabric or mats. Asbestos is used in brake shoes and for its
heat resistance, and in the past was used on electric oven and hotplate wiring for its insulation
attemperature, and in buildings for its flame-retardant and insulating properties, tensile
strength, flexibility, and resistance to The inhalation of some kinds of asbestos fibers,
however, can cause a number of serious illnesses, including Many uses of asbestos are
banned in countries.
