Dear Aunt Girls first name

This week has been very Adjective. As you know we moved from Place to Place. The new neighborhood is very Adjective. My new school serves better Type of food than my old school did. I met a new friend named, Boys first name. He plays Sport just like me! I have to go now. I am going to meet Boys first name at the Place. Hope you enjoy the bag of Plural noun i sent you.

Love, Boys first name.
