## T'was The Night Before An Agency Holiday

As the Family Coordinators get ready to leave to deliver baskets, you notice that some of Holiday Baskets are
missing some You replace the items with whatother familyother family
coordinators brought for and leave and leave signs out the Adjective
van only to notice it's just about out of gasforgot to fill it up withafter
they drove it last. Finally youleave and can deliver the baskets. There arestops
to make to families and none of them are home. You take a Mode of transportation back to the office to type
up the summaries to find out that Precision Care is down again. You check your voicemail and listen to all
Number messages. They are all from Family coordinator wondering where their food is. At 3:30 a call
from Family coordinator is received. They are out of Personal item in which they need you to deliver it
immediately. You get back in your and you are gone again.
Meanwhile back at the MSC Department, the printer is down again. You have been waiting for that
page fax to arrive from theso you can send out that packet forto
go to You also need to finish that family reimbursement before the end ofin order
to submit for <u>Msc</u> and her <u>Animal</u> riding lessons. You too have to deliver <u>Plural noun</u> and
notice that there ismissing. You replace it withlunch and deliver the baskets. Upon
