4 leave clover = bad luck

i found a four leave Plant the other day. then bad luck came my way. stung by a Insect ran into

a Plant spilled hot Food on me,

lost a key, computer crashed, broke four Body part broke my Body part and hit my

Body part on a wall. i reached in my Part of clothing and grabed it, i decied to give it away. i gave it

to my little Relitive and bad luck came his way. but my bad luck was gone. i had nothing to fear. if i

ever found another four leave clover, i give it away!
