The killing of the little girl and other people.

One day there was this little girl named Name of a girl. She was a Number year old little girl. She
neveranyone and she was very but one day her dad left and he never came home
that night but it was still early so she will give him time. Her and her mom were by thereselves. Then that night
the phone rang andanswered. Hello!answered so she
hung up. Then it rang again and she answered. H-Hello! Do you wanna die tonight the killer
said.
Then she heard her mom scream from the top of the Mommy she cried. So she went upstairs and
then there was this guy and she started running and then he pulled out a knife and stabbedName of a girl
mom. Her mom was covered with blood after that. She started running and stuff then she seen her dad he was
dead in the garage. She got in theand drove off. Then she wrecked and then the murderer came
up and stabbed her right in herand then again she fell on the ground dead. The killer just
away Laterexclamatory!he got hit and thats it.
