When you woke up.

You wake up with blood on your You look down to see the pillow drenched with
You quicklyup and looked at the corpse laying beside the bed. The dead
body appears to have mutiple wounds all across hisandandand They look like
weapon wounds. You start to <u>Expression</u> and you <u>Verb</u> to the bathroom across the room
to wash up all theon you face. Walking out of the bathroom, you notice the room around you
looks like a Adjective and Adjective motel. You start to look around and notice all the red stain
along the wallsrises up into your lungs as you gasp andto the door across from
the bed. The door is locked with padlocks and chains. You scream and pound on the door, 'LET ME OUT!' You
peer out into the eye hole and see another eye. You focus your vision and see abeing pulled
away. A blackholding on the hair released its grip and thehead dropped
onto the ground. You panic and hide in the corner. Insanity pops into your head and you
ran from the ceilings and walls. The door next to you opens and you see
