## when boogers take over the world

today i picked a booger, it wasandandailore boogers. there all my
friends! one day i got one and iit on my leg, and that thingPast
tense verb up at me and said ' Exlimation . that just completlyme because all of my
other boogers are soand friendsly. turns out thedoctorame of a person
had poisoned all my friendly boogers. there werent even green anymore. they were mean and crusty. it was so
anyways, these damn boogers all startedout, and running around with
Noun plural they were everywhere turning all boogers bad!couldnt even pick his
anymore beausec they would squirtall over him. the boogers of the world were not
with all theadjective we had to go find drame of a personand smirk is asian ass
. now we are all free to pick our bugers. in the end we all chant '
