A Day At The Fair

One day I was really Adjective. My mom wanted to take me to the Place. I was so Adjective. We played games like Noun darts, sink the First name into the tank, water Verb ending in ing and my favorite... Noun toss! There was one ride that I was Verb ending in ing in ing my mom to take me on. It was called, 'The Death Run'! My mom was too Adjective to take me on, so I decided to go on it by myself. Just before I went on the ride, my mom suggested I had some Food. I guess that she heard my stomach growling too! I looked at all of the different booths. There were booths for Food pasta, Food and a lot more. I chose to have some salad that I saw from an Asian booth or something. It tasted like Food Yummy! Unfortunatley, there is obviously something wrong with salad that tastes like chocolate! I was too Adjective to notice. I threw up, and my mom had to take me home. Today was a Adjective day!
