How to Cope With Homesickness While Traveling

Introduction

Most people experience some degree of homesickness while traveling, even when they're away for brief periods of time. Homesickness does not have to ruin your trip; it can instead offer you an opportunity for growth and an enriched travel experience.

Instructions

Difficulty: Easy

Steps

Step

One

Carry pictures of _____
Plural noun and _____
Plural noun with you when traveling, even if you don't anticipate
that you will be _____
Adjective.

Step Two

Verb contact information for friends and family, even if you think you will not be _____
Verb ending in
ing _____
in touch with anyone on your _____
Noun.

Step Three

Recognize that homesickness is a natural _____
Noun when you are separated from loved ones and familiar
surroundings. Homesickness may never completely disappear, but you will find ways to enjoy the _____
Verb
experience while remaining connected to your loved ones.

Step Four

_____ Verb with your friends and loved ones before you leave about places they would be interested in seeing or gifts they would like you to bring back for them. Take photos or collect _____ Plural noun during your trip that remind you of those you miss back home, and give these as gifts when you return.

Step Five

Create daily _____ Plural noun that are nurturing and create a safe space away from home. Consider doing daily yoga, taking morning walks, _____ Verb ending in ing in a caf and writing postcards or journal entries, etc.

Step Six
