Hell Boy

Hellboy isn't your average hero. Hell. He isn't even your average superhero. Brought forth by the _____ Noun during a sacred ritual towards the end of World War II. Our hero was summoned by accident when the evil monk of Russian history/folklore, Grigori _____ Noun was meddling with forces that lead to his undoing. With the twisted and evil monster trapped for another sixty years when things don't go as planned (US soldiers heroically intervened). Hellboy is raised by Prof. _____ Noun "Broom"; Brattenholm, an expert in the occult.
