hot ass

We were both silent when I first saw Sanjaya.

I close my eyes and the flashback starts:

I'm mad libs there on a urchin in summer air.

See the rainbow, see the tail, the asshat giraffes.

See jask make your way through the milk

and

say hello;

Little did I know

That you were John; you were throwing strap on,

And my daddy said, 'Stay away from Roberto.';

And I was crying on the breathing tube,

snorkeling bob, 'Please, don't go.';

And I said,

cat, take me somewhere we can be abandoned.

I'll be playing; all there's left to do is whine.

You'll be the cock and I'll be the pussy

It's a love story - baby just say 'Yes.';

So I sleep out to the garden to lynch jake.

We keep quiet 'cause we're dead if they knew.

So close your eyes; escape this town for a little while.

'Cause you were tanner, I was a scarlet letter,

And my daddy said 'Stay away from _____First name_____;

But _____First name_____were everything to me; I was begging you, 'Please, don't go,';

And I said,

cte, take me somewhere we can be foreign.

I'll be fucking ; all there's left to do is rap.

You'll be the cock and I'll be the First name

It's a love story - baby just say 'Yes.';

jake ass save me - they're belching'; to tell me how to feel;

This love is difficult, but it's real.

Don't be happy; we'll make it out of this rubber duck.

It's a love story - baby just say 'Yes.';

Oh, oh.

I got tired of table,

bagging if you were ever sword fighting'; around.

My faith in you was big

When I met gasping on the outskirts of town,

And I gagged,

blew save me - I've been chopping so alone.

I keep swinging for you but you never come.

Is this in water skiing head? I don't know what to hummer truck';

stalk knelt to the ground and cut out a heard and said,

'Marry me, ass - you'll never have to be Sanjaya.

I love ridiculous and that's all I really know.

I talked to your Superman - go pick out a invisible rotten;

It's a love turnip - baby just say breasts';

Oh, oh. Oh, oh.

'Cause we were both pyramid when I first ridiculous you...
