# Your Star Wars Adventure PART FIVE

You and           Your companion           are running. You are feeling very           Negative emotion          . You shout at

          Your companion           "You never told me you were a Jedi!";           Your companion           looks at you with a panicked look.

"THAT is the least of our worries. We are on the run from Darth           Person you hate from part 1           We will be lucky to SURVIVE!";

You shrug. "Whatever, let's not go back to           Your home planet from part one          . Let's go somewhere else, it'll help us ... how about we hide on Tatooine?";

          Is your partner a he or a she?           agrees. "Let's board the           Noun           and go!";

ONE           Negative adjective in all caps           FLIGHT LATER...

You say: "There's no sense in boredom, let's... do...something...";

You           Adverb           didn't give a flying           Creature from star wars universe (e.g. droid, ewok, gungan, jawa, rancor...)           whatever you did, but you felt it was best not to be out in the open.

          Your companion           replied: "A tavern!";

You trudge to a nearby tavern. There is trance music playing, various species, an alien bartender, a human with a Wookie, and someone evidently trying to conceal a weapon.

"Hey, yer \_\_\_\_\_

In the end, the man with the Wookie was victorious and everyone else resumed their buisness. \_\_\_\_\_  
Your \_\_\_\_\_  
companion whispers : "W..wow. I'll bet he can help us hide or something. He's powerful!";

You snap, "For all you know, he's an Imperial agent!"; but your companion had gone up to him. You follow \_\_\_\_\_  
Is your partner a his or a her?.

\_\_\_\_\_  
Your companion says to him: "Wow... you're quite impressive at fighting and dishing out insults. I've never heard of a 'droid-banger'; before...";

He

replies: "Thanks. The name's Han Solo.";
