The attack of aquatic sea lion?

A <u>Event</u> from <u>Location</u> came all over the world. It was about a <u>Sea</u> <u>Animal</u> who ate a 17 year old on a swim in the water. He had a wet suit on so it thought it was a nice big <u>Animal</u>. For some reason it ate half of it and left and never came back. The way they know this is because a man who was at as <u>Location</u> saw it. The body is there from now on and they say his spirit haunts sea <u>Animal</u>.
