## **Playing Football**

My favorite hobby is playing <u>Name of scort</u> at my house. I usually kickoff first so they get to have the ball first (my brother, <u>First name</u> and my dad). When I get the ball they usually tackle me on the kickoff so when I <u>Vorb</u> it I have nowhere to go. Sometimes I go all the way but when I do they usually complain about it and say I do it on purpose. Sometimes when they run it all the way my <u>Part of the body</u> hurts when I run after them. We play with a Soft Tech <u>Nume of sports ball</u> with <u>Color</u> and black strips so it is easy to punt. When I punt it usually goes very high up <u>Conjunction</u> itâ??s hard for them to catch it. Sometimes it goes over their <u>Part of the body</u> and it a touchback. Finally, when it gets dark outside we usually go inside and take the <u>Name of sports ball</u> inside too.
