Poker

The history of poker is a matter of some debate. It closely resembles the _____Adjective_____game of as nas, and may have been taught to _____Adjective_____Plural noun_____in New Orleans by Persian sailors. The name of the game likely descended from the French poque, which descended from the German pochen, to _____Verb_____. Yet it is not clear whether the origins of poker itself lie with the games bearing those names. It is commonly regarded as _____Verb ending in ing_____Noun_____with the Renaissance game of _____Verb ending in ing_____and the French brelan. The English game brag clearly descended from _____Plural noun_____and incorporated bluffing. It is quite possible that all of these _____Adjective_____Plural noun_____Past tense verb_____the _____Noun_____of poker as it exists now.
