Poker

The history of poker is a matter of some debate. It closely resembles the _____ Adjective game of as nas, and may have been taught to _____ Adjective _____ Plural noun in New Orleans by Persian sailors. The name of the game likely descended from the French poque, which descended from the German pochen, to _____ Verb.

Yet it is not clear whether the origins of poker itself lie with the games bearing those names. It is commonly regarded as _____ Verb ending in ing _____ Noun with the Renaissance game of _____ Verb ending in ing and the French brelan. The English game brag clearly descended from _____ Plural noun and incorporated bluffing. It is quite possible that all of these _____ Adjective _____ Plural noun _____ Past tense verb the _____ Noun of poker as it exists now.
