Dear First name

How are you? I've been doing absolutely Adjective. Thanks for asking! Anyways, college is so

Adjective It's so Adjective and is filled with Adjective Adjective Plural noun

who don't know Plural noun I'd love to write about how life's been, but I have to Verb. You're

pretty lucky that you don't have to go to this Adjective place. When I get home, please give me some

From,

First name.
