Magical Land

Once upon a time there was a really Adjective girl named First name. She ate Noun every day and had Number declining friend requests. Then one day she wore a Adjective pair of Noun that brought her to a Adjective land of Animal plural. Her brother First name missed her so much, that he cried in his Noun every night. but just then First name appeared in the middle of their Noun. She told him about seeing Noun made of candy and Noun made of fluff. He got so exited that in the middle of the night he put on a pair of Adjective Adjective socks. He thought he would be transported to the Adjective world of Animal plural but he was wrong. He ended up in a Adjective hotel. It was Adjective and Adjective. No one ever found him, and he was stuck there. The End!
