When I went out to dinner

I went out to dinner last night at a Adjective reatruant called Tasty. This restraut served every food you could imagine from Food to Food Soup. Last night, I ordered Food Food Food Food on a fork, Food Food Food and for dessert, I Flavor flavored, book shaped, thing ma-bobbber. They were all so Adjective but dessert made my feel sick so I laid down on the restraut Type of ground (floor dirt carpet ect.). It took me Number hours to settle my Body part. I went to bed at Time feeling like a stuffed Food. Today I am hungry so I think I might go again!!! Wish me Adjective luck!
