# You can tell I dressed myself today!

You can tell I dressed my Adjective Body part today because of how I look. I'm wearing my very Adjective Adjective Article of clothing on my Body part. Conveniently, my Relation laid out my Adjective Article of clothing. I didn't dress with the Same adjective because I felt that Same relation was squashing my independence and freedom of deciding what Adjective I should Verb with. Also, my Article of clothing was improperly worn on my Adjective Body part. When I came downstairs for breakfast, my Same relation yelled,.
