A day in the life of Nicole... <3

The alarm clock rang. RRRRRRIIIINNNNNGGGGGGGG. I did not move, as always. My mom came into my room to yell time for school. I did not move, I was really tired.

I got into the _____ Location _____ blew dried my hair and put on my outfit for the day. I then came downstairs for breakfast. I started to eat my cereal while reading a book, of course I spilled the cereal all over my outfit. Now I had to change my clothes. By this time I was hungry and had to leave for _____ Location _____. My dad drove me to school. I saw Kerry and Angie at the door waiting for me. I got so much homework that Caitlin and Jordan had to help me carry my backpack home, but before I went home I played on the _____ Location _____ with Anthony and Emmitt. Delaney and Jimmy decided to race me. Joey joined in and won....

I started the homework until dad said time for soccer practice. I quickly put on my uniform and cleats to go to practice. I was so excited to kick the ball to Danielle and Hannah because they have such a big kick. I then did some drills with Sabrina and Maeve, again was happy. I did my laps with Samantha and Gillian. Casey and Emily sat with me during our water break. Jessica and Kathryn kicked my ball out on the field for me to get it, but

Madison and Analiece help me get the ball from the field. Once practice was over I said goodbye to Tara and went home.

Since it was Friday I had to go to bowling with Rachel and Erica. I bowled against Ashley and Alyssia. My sister Sam helped us keep score. I bowled a 100.

Then I went home to sleep.....
