Your fucked buddy...

One day, A name of a person downloaded porn.

He watched it and decided to jack off. When he was done, he couldnt erase it, He tried dragging it to the recycle

bin but an error came up saying "Error 13563. Cant Another name for erase file."; "Shit!"; Same name

said. He tried Another name for erase (ing) it again but it said the same error. ";

The most foulest thing to say when your pissed. make sure you include spaces!!! Another name for erase ! ";

Now he cant Another name for erase it.
